

## Lordstown Motors To Host Investors, Analysts, Customers and Partners At Lordstown Week Next Month

May 17, 2021

LORDSTOWN, Ohio, May 17, 2021 (GLOBE NEWSWIRE) -- Lordstown Motors Corp. (Nasdaq: RIDE), ("Lordstown Motors"), a leader in electric light duty trucks focused on the commercial fleet market, has announced Lordstown Week, a weeklong event at the company's Ohio headquarters, hosted by the Lordstown Motors executive team and featuring factory tours, presentations and test drives of the Lordstown Endurance, the world's first all electric commercial pickup truck.

From June 21-25, investors, analysts, customers and partners will spend time with the management team, and tour the Lordstown Motors facilities to experience firsthand how the production team is preparing the plant for the ramp up to be ready for the beginning of early production units of the Endurance in late September of this year.

### **About Lordstown Motors Corp.**

Lordstown Motors is an Ohio-based original equipment manufacturer of light duty fleet vehicles, founded by CEO Steve Burns with the purpose of transforming Ohio's Mahoning Valley and Lordstown, Ohio, into the epicenter of electric-vehicle manufacturing. The company owns the 785 acre, 6.2 million square foot Lordstown Assembly Plant where it plans to build the Lordstown Endurance, believed to be the world's first full-size, all-electric pickup truck designed to serve the commercial fleet market. ### **Forward Looking Statements**

This press release includes forward-looking statements. These statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These statements may be identified by words such as "feel," "believes," "expects," "estimates," "projects," "intends," "should," "is to be," or the negative of such terms, or other comparable terminology. Forward-looking statements are statements that are not historical facts. Such forward-looking statements are not guarantees of future performance and are subject to risks and uncertainties, which could cause actual results to differ materially from the forward-looking statements contained herein due to many factors, including, but not limited to: our limited operating history and our significant projected funding needs; risks associated with the conversion and retooling of our facility and ramp up of production; our inability to obtain binding purchase orders from customers and potential customers' inability to integrate our electric vehicles into their existing fleets; our inability to retain key personnel and to hire additional personnel; competition in the electric pickup truck market; our inability to develop a sales distribution network; and the ability to protect our intellectual property rights. Any forward-looking statements speak only as of the date on which they are made, and Lordstown Motors undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date of this press release.
