## Explanation of Responses:

- 1. As described in the issuer's registration statement on Form S-1 (File No. 333-229286) under the heading "Description of Securities--Founder Shares", the shares of Class B common stock will automatically convert into shares of Class A common stock at the time of the issuer's initial business combination on a one-for-one basis, subject to certain adjustments described therein and have no expiration date.
- 2. As contemplated in connection with the initial public offering of the issuer, 187,500 shares of Class B common stock were returned by the reporting person to the issuer for no consideration and cancelled because the underwriters' over-allotment option was not exercised in full.

/s/ David T. Hamamoto, Authorized Signatory
